Subject: Data Management Plan for BMFOU data
Attachments: 8-15-16_Data Access_Cover Letter.pdf; BPSOU_DMP_R1_Final.pdf

All,

FYI: I just bugged Tim while he was swathing his field and discussed how our meeting went today. I also pointed out that we need a Data Management Plan now that we are going to be receiving a plethora of data. Attached, is an approved Data Management Plan for BPSOU along with the Data Access Cover Letter. Tim said he was also going to look at Anaconda's DMP and when he gets back we would set up a meeting to discuss the development of one for BMFOU.

Thanks,

Nikia Greene
